Capital Campaign Brings State-of-Art Technology to B-CC

The B-CC High School Educational Foundation's two-year, \$200,000 Capital Campaign has brought state-of-art technology to the newly-modernized high school. Principal Katy Harvey and her Technology Committee, composed of faculty, staff, parents, and community members, spent a year researching the latest technology infrastructure to equip B-CC students for the 21st century. The Foundation launched the Capital Campaign to help make that dream a reality.

Local communities, businesses, and B-CC parents and alumni responded generously. So far, the campaign has raised over \$172,000. The Foundation gave the school \$51,025 last November, and new computers were ordered in time for the return to the modernized campus. Another check for \$100,000 was given to the school on June 10, in the school's new courtyard (see photo.)

How has the Campaign benefited B-CC?

The Community Computer Room—a room where computers will be available, before and after school, for tutoring and other student programs, as well as for all people in the community.

Social Studies Lab—a technology center with high-speed connections to data sources and software. Students can use the Internet to access information, and teachers can teach in new ways, such as using the Web to conduct interactive seminars.

The Cyber Café—an inviting space for students to meet during and after school to use the Internet, work on homework, and conduct research.

Additional Computers for Classrooms—twenty-eight classrooms have received additional computers this fall, and by the spring of 2003, additional computers will be in place in all the remaining classrooms.

The Capital Campaign has been a community effort. A third of the contributions have come from parents and alumni, a third from B-CC area businesses, and a third from the four local municipalities—Chevy Chase Village, the Town of Chevy Chase, Town of Somerset, and the Village of Drummond. B-CC is fortunate to have such a caring and generous community whose continuing support will be necessary to help us reach our \$200,000 goal.

(from l. to r.) PTSA Presidents Jil Sneider and Cathie Goltz, Principal Katy Harvey, Foundation President Matt Gandai ('85), and Fundraising Committee Chairs Dennis Horn and Julian Mansfield ('85) at the check presentation ceremony on June 10, 2002.

Welcome to the first edition of the B-CC Educational Foundation annual report. This is our way to keep B-CC parents, alumni, and community members who have been so supportive of the school informed of our progress.

It has been an historic year for B-CC. Construction was completed and students and faculty moved back into the newly renovated school last January. The school is now a wonderful combination of new and old, a state-of-the-art learning facility that has preserved the character that has always made B-CC so special.

It has also been an historic year for the Foundation. With your help, we raised over \$162,000 from alumni, parents, local businesses and municipalities to support the school.

I attended B-CC in the early 80's. I have spoken with alumni who attended in every decade since the school opened in 1926. In my conversations, three things stand out that have always made B-CC a unique school: *high academic standards, a diverse student body, and an active, engaged community.*

The B-CC Educational Foundation was created to help foster programs that promote these core values. We have helped launch summer

school and tutoring programs for low-achieving students, as well as a college preparation program for students who might not otherwise pursue postsecondary education. We helped bring the world-renowned International Baccalaureate program to B-CC and have supported its expansion. We have paid for teacher training, instructional materials, educational software, and other critical needs within the school.

Most recently, the B-CC Foundation launched a successful capital campaign to raise \$200,000 to invest in the latest educational technology. With the help of parents, alumni, local businesses and municipalities, we have nearly met our goal.

There is a renaissance going on at B-CC. The school has been renovated, enrollment is up, expectations have been raised, and student achievement is improving. The school has achieved this success, in part, because of the generosity and commitment of members of the B-CC community, past and present.

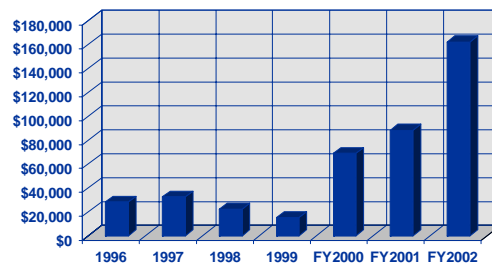

We thank you for your support to date and hope that you will continue to help us promote excellence at B-CC.

Matthew Gandal

Foundation Financials

Since its inception in 1996, the B-CC Educational Foundation has raised \$418,091.44, incurred \$43,714.78 in expenses, and given out \$327,455.29 in grants. The Foundation Board is comprised solely of volunteers who provide much of the fundraising and administrative support for the Foundation's work.

SAT Average Scores	1095	1097	1115	1128	1139	1153

* School enrollment numbers are for the school year ending in the year listed.

Rededication of B-CC

The B-CC campus underwent a major two-and-a-half year modernization from August 1999 to January 2002. The interior of historic A and C buildings were gutted and rebuilt. All other structures were torn down and replaced. The new campus is stunningly beautiful, an ingenious blending of the old and the new.

To celebrate the students' return to the modernized campus, the school held a rededication ceremony on April 28, 2002, attended by students, faculty, parents, alumni, former teachers, community members, school system leaders, and elected officials. Ninety alumni, from the class of 1939 to the class of 1999, signed the alumni registry.

The theme of the rededication was "A New Century of Possibility". The celebration ended with a parade of future B-CC students from all the feeder elementary and middle schools, and a panel of B-CC alumni from each decade describing life at B-CC during their years.

Rebecca Regan-Sachs ('00) offered the following dedication at the ceremony:

"In the spirit of the past, we dedicate this building to all the former students and teachers of B-CC High School, whose hard work, spirit, and commitment created the sense of character and identity unique to B-CC.

"In the spirit of the present, we dedicate this building to the students and staff who currently occupy it, who fill its classrooms with discussion and debate and its halls with the laughter of friends.

"And in the spirit of the future, we dedicate this building to every student with a fierce desire to learn and grow in an inspiring environment, and to

every teacher with the heart and will to guide those students on their journey.

"Finally, we dedicate this building to those beyond its walls—to the larger B-CC community that has supported this school throughout the years and continues to work with us as we create new chapters in the remarkable history of B-CC High School."

A Sample of Foundation-Funded Projects

Since 1996, the B-CC High School Educational Foundation has funded projects that enhance academic excellence at B-CC High School, including:

College Connections—designed for rising 11th and 12th graders to guide them and their families through the college search and application process. The program partners students with mentors to help them with college search, applications, SAT prep, and other issues for three weeks during the summer.

B-CC Summer Academy—designed for incoming 9th grade students who likely would struggle academically in their freshman year at B-CC. Students meet five days a week for four weeks in the summer to work on English, math, study skills, and general school issues.

International Baccalaureate Program—an academically rigorous, world-renowned program with a focus on research and independent study. It is open to all interested students.

Summer Math Institute—a summer math program to prepare and support students moving up to honors-level courses.

Russian Exchange Program—a nationally-recognized student exchange program with Moscow School 45. This program, established in 1989, has brought a true cross-cultural experience to B-CC students.

Master Classes—offered in partnership with Strathmore Hall Arts Center, professional performers use music and drama to explore history, literature, writing, and language with students at every grade level.

Family Learning Solutions—community-based tutoring and literacy program at Rosemary Hills Village that helps elementary, middle, and high school students.

Bethesda Area Student Enrichment (BASE) Program—provides academics and mentoring for suspended

students to encourage positive social and emotional change, in collaboration with local churches, temples, two area high schools, and two middle schools.

Ed Mullaney Professional Development Fund—has provided funds to more than 50 teachers to participate in seminars and workshops for training in new educational tools and instructional programs.

Department Equipment—provided funding for new equipment for the art, music, and science departments.

Welcoming Diversity—provided funding for a group of students to attend "welcoming diversity" training workshops. These students return to the school to train additional students and set up school activities and programs that foster an understanding and appreciation of cultural differences.

ESOL Department Grant—has funded cultural enrichment activities for more than 80 ESOL students.

B-CC Alumni Website Launched

Thanks to the support of the Foundation, B-CC alumni now have a website, www.bccedfoundation.org/alumni. The goal of the website is to provide a means for our alumni to contact former classmates, renew old friendships, share memories, get news about reunions, and find out what's happening at the good old alma mater.

However, to realize this goal, we need help from all B-CC alumni and friends. So...

- ♦ If you are organizing a class reunion, or know of one, please send us the information, and we will post it on the **Reunions** page.

- ♦ If you have news to share with our alumni, please send it to us, and we will post it on the **Alumni News** page.

- ♦ If you are interested in having former classmates contact you, please send us your name, class year, and contact information. We will post your name, class year, and message (but not the contact information*) on the **Classmates** page. We will serve as the initial contact point for alumni.

- ♦ If you would like to receive periodic news items of interest to B-CC alumni, please send us your name, class year, and e-mail address, and we will put you on the **B-CC Alumni e-mail list***.

Please send the information to alums@bccedfoundation.org.

*Note: The contact information you provide us will not be posted on this website and will not be shared with anyone without your permission.

2002 Homecoming

For the first time in many years, our B-CC neighbors were able to enjoy the spirited homecoming parade right in front of their houses. With vehicles no longer allowed inside the B-CC stadium because of the newly installed track, the

A welcome sign for alumni by B-CC students

B-CC Alumni Authors

David Simon ('78) and Edward Burns—*The Corner: A Year in the Life of An Inner City Neighborhood*, a *New York Times* Notable Book of the Year, and an HBO miniseries.

A.M. Homes ('79)—*Things You Should Know*, *The Safety of Objects*, which is being made into a movie starring Glenn Close and Dermot Mulroney; and *Jack*, which is going into production at Showtime.

Tracy Chevalier ('80)—*Girl With a Pearl Earring* (no. 1 on the *New York Times* paperback fiction bestseller list in 2001) and *Falling Angels*.

Laura Hillenbrand ('85)—*Seabiscuit—An American Legend* (no. 1 on the *New York Times* hardcover nonfiction bestseller list in 2001), which is being made into a movie by Universal Studios starring Tobey Maguire and Jeff Bridges.

Jennifer Toth ('85)—*The Mole People: Life in the Tunnels Beneath New York City*, *Orphans of the Living*, and *What Happened to Johnnie Jordan—The Story of a Child Turning Violent*.

Matthew Zapruder ('85)—*American Linden*, a book of poetry that won the 2001 Tupelo Press Editor's Prize.

Mariam Naficy ('87)—*The Fast Track: The Insider's Guide to Winning Jobs in Management Consulting, Investment Banking and Securities Trading*.

Alexandra Zapruder ('87)—*Salvaged Pages: Young Writers' Diaries of the Holocaust*.

Michael Shipler ('95)—*The Dancing Country and Other Stories*.

www.bccedfoundation.org/alumni

2002 homecoming parade took a circular route around the school instead.

The theme of this year's homecoming on September 27 was "Wish Upon a Star." Alumni from the classes of '61, '62, '64, '65, '72, '73, '84, '86, '89, and '97 helped cheer the Barons to a thrilling victory over Poolesville (10-7) in the homecoming game. **Elizabeth DuPont Spencer ('84)** and her sister **Caroline Dupont ('86)** rode in the homecoming parade with their children. "What a great homecoming!" wrote Elizabeth, "We brought some neighborhood friends along to the game, and our spouses. Fun for B-CC past, present, and future."

Long-Time B-CC Staff Retired

James Biedron ('57)—social studies teacher at B-CC since 1969, also 30-year coach of B-CC's *It's Academic* team.

Lawrence Levin—science teacher at B-CC since 1982, also long-time faculty advisor to the SGA.

Sharon Wilkie-Mortl—science teacher at B-CC for 15 years.

Claire Gargano—secretary at B-CC for 18 years.

Alum Is New Maryland Delegate

Ana Sol Gutierrez ('60), foundation board member, and mother of **Fernando ('86)** and **Rodrigo ('93)**, won election to the Maryland House of Representatives this November.

Go Barons! 2002
