BETHESDA-CHEVY CHASE HIGH SCHOOL EDUCATIONAL FOUNDATION

Investing in Academic Excellence at Bethesda-Chevy Chase High School since 1995

B-CC has more than 2,000 students for the first time in recent history, and we need to raise more money than ever before to keep pace with students' needs. Our academic support programs have a critical impact on our students' success. We can't make them happen without your help!

Please consider a gift above the ticket price so that the Foundation may sustain and expand initiatives such as TAP, CollegeTracks, the College Essay Workshop and Summer Enrichment Programs!

The B-CC High School Educational Foundation helps all our students succeed by funding a continuum of year-round academic support programs, including:

TAP: After school academic help staffed by B-CC teachers available to all students.

COLLEGETRACKS: Highly effective college preparatory program supporting first-generation and lower-income students at B-CC.

SUMMER SUPPORT PROGRAMS: 9th and 10th grade Academies, college essay writing workshops, and other programs designed to give students a head start before the school year.

The Foundation also provides **HIGH-IMPACT GRANTS** to support teacher professional development, classroom enhancements, department initiatives, and start-up funding for a variety of innovative programs aimed at strengthening instruction and improving the educational experience for all B-CC students.
