BETHESDA-CHEVY CHASE HIGH SCHOOL EDUCATIONAL FOUNDATION

Investing in Academic Excellence at Bethesda-Chevy Chase High School since 1995

B-CC's enrollment has surpassed 2,000 students and continues to grow. The Foundation has raised our annual fundraising goal to \$225,000 to meet the increasingly high demand for the academic programs and services we fund.

The school's leadership, our teachers, and our students rely on the resources provided by the Foundation to sustain critically important academic support programs that promote high academic standards and help all students succeed.

Please consider a gift above the ticket price so the Foundation may sustain and advance initiatives, including:

TAP: After school academic help staffed by B-CC teachers available to all students.

COLLEGETRACKS: Highly effective college preparatory program supporting first-generation and lower-income students at B-CC.

SUMMER SUPPORT PROGRAMS: 9th and 10th grade Academies, college essay writing workshops, and other programs designed to give students a head start before the school year.

In addition, the Foundation has been increasingly called upon to support the growth and development of B-CC's teachers by supporting their professional development and providing innovation grants.
