What did we do?

The B-CC High School Educational Foundation is committed to furthering the tradition of excellence and diversity at B-CC High School. In FY2017, grants totaling \$159,964, or 93% of the Foundation's total outlay, funded a continuum of **academic support (48%)** and **college readiness (42%)** programs for students as well as **professional development (10%)** opportunities for teachers and staff. These include:

- **Summer Programs** such as the 9th and 10th Grade Summer Academy Program, the Pre-AP/IB Summer Workshop, and the Summer College Essay Writing Workshop that help students better prepared for the school year ahead;
- **School Year Programs** such as TAP which provides after-school academic support to all B-CC students, and funding for IB exam fees that ensures students with challenging financial circumstances can choose the IB program; and
- **Year-long Programs** such as CollegeTracks which expands post-secondary options for students who lack financial resources and experienced adults to guide them outside school.

* For more information on these programs, please go to www.bccedfoundation.org/about-the-foundation/funded-projects/

In response to B-CC's rising enrollment, the Foundation has budgeted \$192,500 for its FY2018 grants program to meet the increased demand for academic support programs. Please help us by donating online or by mail at www.bccedfoundation.org.

How were our students helped? A few examples:

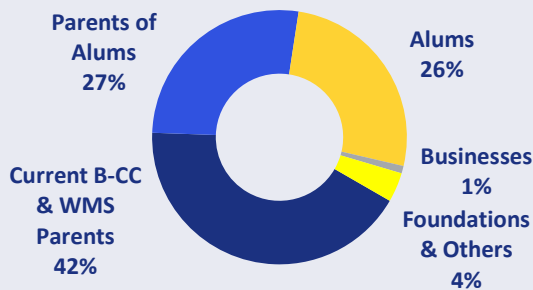

- **TAP** – students get free after-school academic help **108 days a year** in 4 core academic subjects (English, Math, Science, and Social Studies) at all levels from B-CC teachers in those disciplines. B-CC students in all grades made **over 1,500 visits** to TAP this past year. More than 80% were by 10th and 11th graders, and 46% were for Math and 21% for Science.
- **CollegeTracks** – this past year, **over 200 juniors and seniors** were mentored through the college preparation and admissions and financial aid application process, and **over 190 B-CC CollegeTracks graduates** at 35 colleges received guidance and support as well as learned critical college-success skills from CollegeTracks coaches. All 120 B-CC CollegeTracks seniors were admitted to at least one of 133 colleges and technical schools. The B-CC CollegeTracks students were predominantly minority (89%), low-income (76%), non-native English speakers (63%), and first-generation in U.S. (74%).
- **Summer Academy** – **60 at-risk rising 9th and 10th graders** participated in the 9th and 10th grade Summer Academy Program, building the academic and leadership skills they needed to succeed in the coming school year.
- **Summer College Essay Writing Workshop** – **92 rising 12th graders** had at least one completed essay in hand when they finished their week-long workshop.

Foundation Revenues FY2017

Thanks to the generosity of our donors, the B-CC High School Educational Foundation raised more than \$202,000 in FY2017, bringing the total funds raised to more than \$2.7m since its start in 1995.

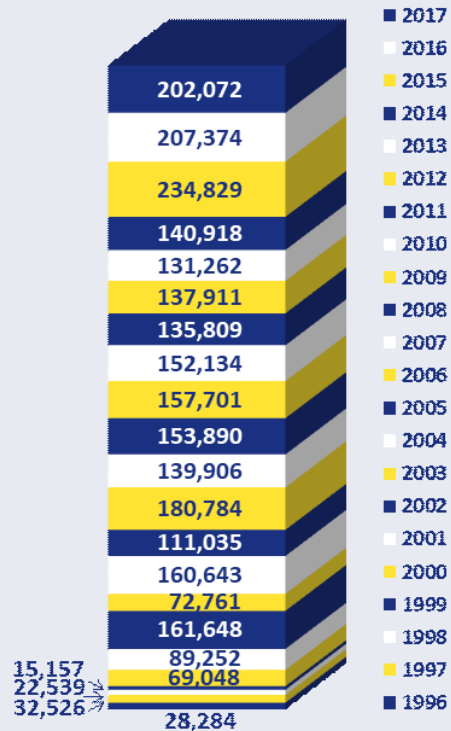

Support for the Foundation came from current and former B-CC families, alumni, friends, and local businesses. We are grateful to our donors who have responded to our efforts to expand academic support for B-CC students at all levels.

B-CC Numbers

B-CC's enrollment reached 2,074 students in June 2017, a 23% increase in the past ten years. The school remains racially, ethnically, and economically diverse.

In the 2016-17 school year:

- 57% of its students were Caucasian, 17% Hispanic, 15% Black, 5% Asian/Pacific Islander, and 6% multi-ethnic.
- 11% of its students qualified for the free- and reduced-price meals (FARMS) program and an additional 10% had been in the program in past years.
- 6% of its students were in the ESOL (English for Speakers of Other Languages) program, representing 18 countries.
- 94% of its students were enrolled in honors/AP/IB/College-level courses.
- 85% of its seniors were in at least one AP/IB courses.
- The IB diploma program had 144 diploma students and 156 certificate students.
- 81% of the Class of 2017 went to 4-year colleges and 18% to 2-year colleges.

Our Business Partners

The Foundation is grateful for the support from our local businesses, in particular, the multi-year pledges from long-time Foundation supporters the Chevy Chase Land Company and the EagleBank.

This is the third year of **The Chevy Chase Land Company's** "CCLC Smart Growth Scholarship", an annual \$5,000 scholarship awarded to a B-CC HS senior planning to pursue a career in architecture, engineering, or land use/transportation planning. In addition, the Land Company continued its multi-year support, totaling \$40,000 already donated and pledged to the Foundation since 2010 to help fund the Foundation's efforts to ensure that every B-CC HS student can succeed academically.

EagleBank, the Foundation's official bank, is a prominent regional bank with its headquarters in Bethesda. A Foundation supporter since 2009, it is in the second year of its \$10,000 pledge, payable over 3 years. Its generosity allows the Foundation to continue to promote high academic standards and success for all students at B-CC.

Significant donations also came from businesses matching contributions from their employees and in-kind donations from local businesses in support of the Foundation's fundraising efforts.

Class Gifts:

Class of 1956 and Class of 1961

The Foundation is grateful to the Class of 1956 and the Class of 1961 for their very generous donations commemorating, respectively, their 60th and their 55th reunions this past year.

Thank You Parents!

Parents of current B-CC and Westland students contributed \$91,357 and parents of B-CC alums contributed \$58,070 to the Foundation this past year. Together they accounted for 69% of the total donations received by the Foundation in FY2017.

Please include the B-CC High School Educational Foundation in your annual giving. Contributions to the Foundation are tax-deductible.

Please go to www.bccedfoundation.org to donate online or download a donation form.
