# BETHESDA-CHEVY CHASE HIGH SCHOOL EDUCATIONAL FOUNDATION

Investing in Academic Excellence at Bethesda-Chevy Chase High School since 1995

The B-CC High School Educational Foundation helps all our students succeed by funding a continuum of year-round academic support programs, including:

**TAP:** After school academic help staffed by B-CC teachers available to all students.

**CollegeTracks:** Highly effective college preparatory program supporting first-generation and lower-income students at B-CC.

**Summer Support Programs:** 9th & 10th grade Academies, college essay writing workshops, and other programs designed to give students a head start before the school year.

The Foundation also provides **HIGH-IMPACT GRANTS** to support teacher professional development, classroom enhancements, department initiatives, and start-up funding for a variety of innovative programs aimed at strengthening instruction and improving the educational experience for all B-CC students.
