EDUCATIONAL FOUNDATION

Annual Report

2019

Dear Friends,

Thank you for joining us in supporting the academic success of B-CC students this year! We've had an exciting year, rolling out a new Language Lab and preparing to launch the first ever Link Crew freshman orientation program in Montgomery County Public Schools.

Innovations like these have always been a hallmark of Foundation programming – investments that are designed to celebrate our diversity and close the opportunity gap by ensuring access to strong academic support. As our enrollment numbers continue to increase, we are both energized by the community's faith in B-CC and reminded of the rising academic need within our student body.

Our community of alumni, families, neighbors, and businesses is a powerful ally in building an engaged culture of learning at B-CC. Thank you for your ongoing belief in our programming and vision of a bright future for each Baron.

Best regards,

Matt Gandal
President, B-CC High School
