

BETHESDA-CHEVY CHASE HIGH SCHOOL
EDUCATIONAL FOUNDATION

Annual Report

2020

Dear Friends,

This year marked a time of significant and unexpected transition at B-CC. We started the school year with an interim principal and ended with a pandemic, online learning, and communities across the country taking to the streets to protest systemic racism. The events unfolding around our country and within our school only underscore the urgency of the Foundation's mission – providing academic support designed to ensure all our students have the skills they need to succeed.

Students, families, teachers, and administrators have pivoted quickly to adjust to this new virtual learning environment. And while we have many anecdotes of creativity and flexibility to celebrate, we are deeply concerned by how the uncertainties of this time are further widening the persistent opportunity gap for many of our students.

It is in times like these that we are especially grateful to be part of a supportive donor community. Your generosity in recent months ensured that not only could we touch every B-CC student with a robust slate of academic programs, but that we could also move quickly to begin adjusting for the fall. We are already working closely with teachers and administrators to re-tool programs our students rely upon, like TAP (Time for Academic Progress) and summer academies, for a virtual environment.

Thank you for your support. Because of you, we move into these uncharted waters energized by the possibilities of innovation and re-dedicated to ensuring the sustained success of all students at B-CC.

Warm regards,

Matt Gandal
President, B-CC High School
Educational Foundation
