

BETHESDA-CHEVY CHASE HIGH SCHOOL  
EDUCATIONAL FOUNDATION

# Annual Report

2021

Dear friends,

The past year was an incredibly difficult one for the B-CC High School community. Students, families, teachers, and other school staff endured the hardships of the pandemic just like the rest of the country. The good news is that students are back in school, but the pandemic isn't over, and neither are the immense challenges it triggered last year when instruction suddenly went virtual.

The role of the B-CC Educational Foundation is critical now more than ever to support the growing academic needs of our students. Across the country, learning gaps increased in schools during the pandemic and fewer high school students went on to attend college. We have been working diligently at B-CC to ensure that does not happen to our students. We understand how important it is that every student at B-CC has the opportunity to reach their full potential and build a pathway into college and rewarding careers.

Our school is more diverse than ever, as evidenced by the B-CC Snapshot in this report. There are more students of color, more students from other countries, and more families with emerging needs. As a Foundation, we continue to be focused on supporting all students and families to ensure their success.

We are fortunate to have the enormous support of our donor community to help us achieve our objectives. Thanks to your unwavering generosity during these difficult times, we were able to continue supporting major programs like TAP (Time for Academic Progress) and CollegeTracks; we helped teacher-sponsored projects like The Tattler and Music Recording run; and we pivoted quickly to support Zoom training for over 170 academic staff when virtual instruction became a critical tool to effectively engage students.

Thank you for your continued support of B-CC. With your help, we are making a real difference in our students' lives during an unprecedented time in the school's history.

Warm regards,

Matt Gandal  
President, B-CC High School  
Educational Foundation
