

BETHESDA-CHEVY CHASE HIGH SCHOOL
EDUCATIONAL FOUNDATION

Annual Report

2022

Dear Friends,

Thanks to your support, this year the Foundation consistently responded to growing needs within B-CC, even as students and staff continued to navigate the ongoing effects of the pandemic. Below are three 2021-22 investments that we're particularly excited about because of how they dovetail with the Foundation's mission to increase access and academic success across the entire student body at B-CC:

- **Academic Success:** To support B-CC students in quarantine, we leveraged an all-new partnership with PrepMatters to design and launch **Virtual Tutor**. This daily online service paired quarantined students with professional tutors to ensure they did not fall behind in coursework while out of the classroom.
- **Increased Access:** We invested in **Project Lead the Way**, an innovative program designed to introduce B-CC students to STEM career pathways – with a particular emphasis on engaging girls and students of color. Our initial investment in technology is the beginning of what we hope will be a long partnership with B-CC teachers to expand the reach of this important initiative.
- **College Readiness:** We remain proud founding supporters of **CollegeTracks** and together are approaching 20 years of partnership. During this time, over 2,000 first-generation-to-college students at B-CC have been supported with individualized mentoring to help them not only prepare for and apply to college, but also stay enrolled and successful for the full duration of their higher education experience.

Because of your generosity, we head into the next school year well-prepared to respond to emerging student needs and teacher innovations.

Speaking of teacher innovation, this year we partnered with B-CC's PTSA to layer staff appreciation events on top of our usual slate of academic programming. We look forward to continuing to find creative ways to express the community's thanks for their resilience and ongoing engagement.

Warm regards,

Matt Gandal
President, B-CC High School
Educational Foundation
