

BETHESDA-CHEVY CHASE HIGH SCHOOL
EDUCATIONAL FOUNDATION

Annual Report

2024

Dear Friends,

As we reflect on the past year, we are filled with gratitude for your unwavering support of the B-CC High School Educational Foundation. Thanks to your generosity, we have made significant strides in enhancing educational opportunities and fostering academic success for all B-CC students.

Here are some of the highlights from the 2023-24 school year, all aligned with our mission to enhance access and academic achievement across B-CC:

- **STEM Opportunities:** We continue our investments in STEM, providing valuable resources that equip students with the skills needed for tomorrow's workforce.
- **College Success Initiatives:** Building on our longstanding partnership with CollegeTracks, we have continued to support first-generation college-bound students with tailored mentoring and resources, helping hundreds of B-CC students navigate their college journeys with confidence.
- **After School Academic Supports:** We are committed to providing high-quality after-school tutoring, accessible to all students at no cost.

As we kick off the 2024-2025 school year, we are excited about the potential for even greater impact. We have increased our investment in career-connected learning, including the expansion of the school's internship program, and are already seeing significant gains in student engagement. We're proud of the ongoing partnership with B-CC to create new opportunities for students and we will continue to seek innovative approaches to foster an environment where every student can thrive.

The support of our community—alumni, families, businesses, and neighbors—fuels our mission and inspires us to continuously seek new ways to enhance the educational experience at B-CC and prepare our students for their futures. Together, we are building a strong foundation for academic success, resilience, and growth.

Thank you for believing in our vision and for standing alongside us as we work to ensure a bright future for every Baron.

Warm regards,

Matt Gandal
President, B-CC High School Educational Foundation

2023-24 Foundation Performance

PROGRAM IMPACT HIGHLIGHTS

Note: some programs received support from MCPS

B-CC students rely on Foundation-funded initiatives for academic success. Here is a closer look at some of this year's programs.

CollegeTracks

96 B-CC College Tracks Alumni in College Success Program

The B-CC HS students CollegeTracks served in SY23-24, are:

- 74% First Generation-to-College
- 48% Emergent Multilingual Learners (EML)

Project Lead the Way (PLTW)

The Foundation continues to invest in STEM-related programs and partnerships. Project Lead the Way participation is up nearly 300% year-over-year among B-CC students.

Project Lead The Way is a nationally recognized program whereby students develop in-demand, transportable skills — such as problem solving, critical and creative thinking, collaboration, and communication — that they will use both in school and for the rest of their lives, on any career path they take. Over the years, the Foundation has supported B-CC's PLTW Computer Science and Engineering programs.

Additional Foundation Programs:

- Time for Academic Progress (TAP)
- Lazarus Leadership Summer Program
- Guest Music Clinicians
- History of AAPI and Racial Solidarity
- Annual Writing Contest 2024
- Composting program
- B-CC Webmaster
- Support for PLTW College Credit Tuition
- ComplexCity
- Engineering Design and Development ("EDD") Program Capstone Showcase
- Autodesk Fusion 360 certificate fees
- Dance Class—MCPS Dance Showcase
- Urban Agro-Ecology
- Atlanta Leadership Retreat
- SAT Prep / Prep Matters
- Black Student Union Trips to HBCUs and Museums
- Community Meetings

B-CC SNAPSHOT

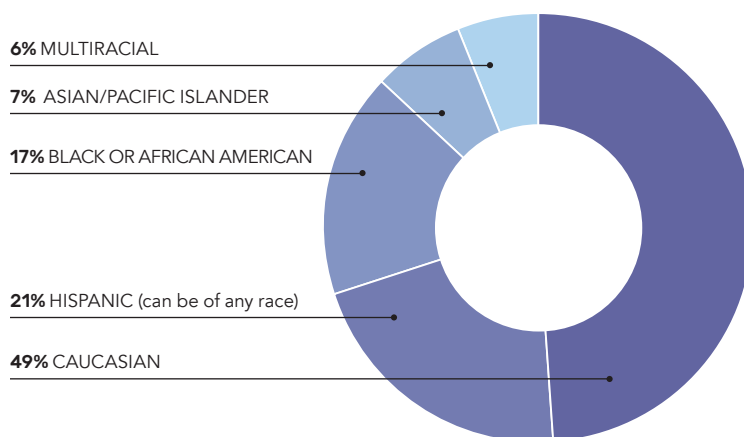

As B-CC continues to grow, the student body projections point to still-rising needs.

B-CC Demographics

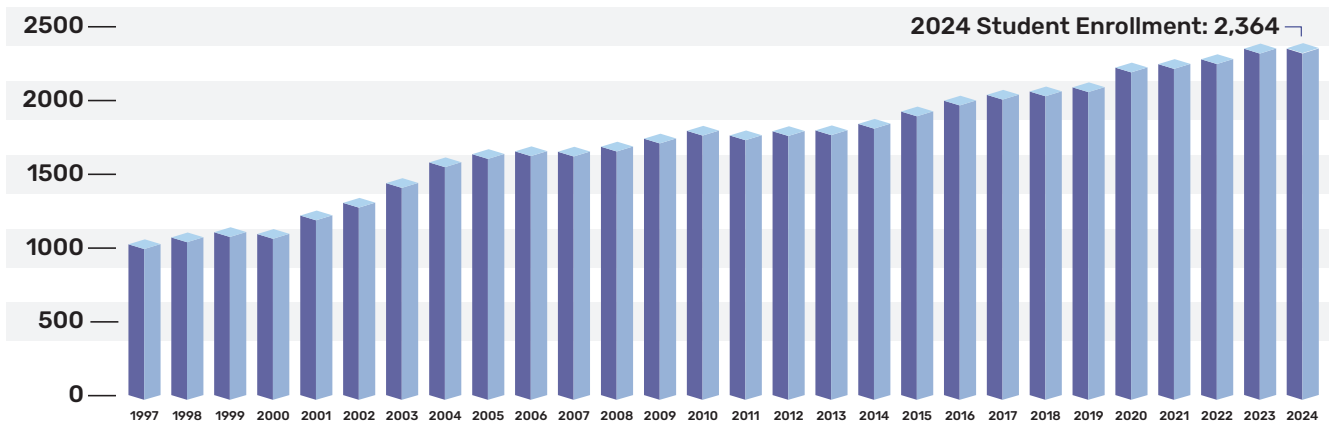

Between 60 and 70 countries have been represented at B-CC in recent years.

In SY 23-24, B-CC HS students were:

- 9.1% EML (Emergent Multilingual Learner)
- 24.3% Low income (FARMS and/or Waiver Eligible)
- 7.4% Special Education
